

SEED STARTING RESOURCES

APPS

Planting calendars and tips for many crops.

CONTAINER IDEAS

- Yogurt cups
- Old plastic cups
- Reuse store-bought trays from previous plants (wash first)
- Berry/grape containers

You can use all kinds of containers from around the house. Just make sure they're sanitized, have drainage holes, and have enough room for root growth.

FIND SEEDS

- Local stores and greenhouses
- Friends or neighbors
- Garden Club
- Online seed companies
- Save your own seeds
